

**Start Your Journey
as a Hillside
Foster Parent**

Make a Difference in a Child's Life

Therapeutic Foster Care (TFC) provides young people with a safe, nurturing home environment. As a Hillside foster parent, you'll receive training and support to help you make a meaningful difference in the lives of children when they need it most.

At upcoming online info sessions, you'll learn more about becoming a foster parent, with questions answered in real time by members of the Hillside team. **No prior experience is required—just a commitment to helping others.**
